DECEMBER MEETING PMCC
Christmas Party-White Elephant Gift Exchange
12/13/2011
6:00 - 8:00

Ladies, we have several opportunities to give this holiday season. Many of us have so much to be thankful for and we would like to give back to those who are not as fortunate. A local non-profit organization in Rockport-Circle of Love Ministries-will be taking gift bags to the homeless in Corpus Christi. They are still in need of items such as combs, deodorant and bath towels (towels can be slightly used and washed). These items will be placed in gift bags for the homeless and distributed by Circle of Love. Please bring your donatable items to the meeting or call Kim Pendergraft if you have any questions.

We are also adopting families who lost everything in the apartment fire here in Rockport. All of the fire victims lost everything, including their vehicles, in the fire. We are asking that you bring a wrapped gift for either an adult male or adult female (mark the gift so we know it's for a man or woman) and we will present the gifts to the victims. Several of the fire victims as well as the apartment owner have gone through the items at the boat barn located at the Oaks at Bentwater and found items they could use. Two of the victims attended our November chapter meeting this month and expressed their gratitude for our group's help. Fae Ward, the owner of the burned apartments, has also expressed her gratitude to T.O.W.N. Rockport for its generosity. T.O.W.N. would like to thank the Oaks at Bentwater for the use of the boat barn and all those who have volunteered in the efforts to help these fire victims.

Event Ideas Wanted

We are planning for 2012 and we want to know what you are interested in doing, seeing, etc.

Please contact us at events@townrockport.org for any ideas you have.

We want to make 2012 an incredible year!

All-Natural Gardening Practices & Composting

A big THANK YOU to our own Stephenie Cochran, Texas Certified Landscape Professional #565, who gave a great talk about all-natural gardening practices and composting at one of our recent meetings. We have included the lecture information below if you were unable to make it or need another copy.

If you have any additional questions, contact Stephenie at 361-205-4000 or scochran@cochranlandscapes.com.
