

Women in the Wild

2010 2nd Annual Outdoors Event

May 1-2, 2010
Rockport, Texas

Mission Statement: To provide women who participate with a safe and fun environment in which to familiarize themselves with some of the many outdoor recreational opportunities in the Coastal Bend.

SEA, Saltwater fisheries Enhancement Association, is the main sponsor of the event for which we are extremely grateful for their participation.

This is a Rockport T.O.W.N. event- please email brandi.reeder@tpwd.state.tx.us if you are interested in joining or want information on the local chapter. To join the Rockport T.O.W.N. Chapter visit our website at www.townrockport.org

Entry fees- \$125.00 per participant for entries received prior to March 15 and \$150.00 after (entries must be postmarked by April 15, 2010-*limited to ladies 21 and up and to the first 75 women*). If you need to cancel your registration you must do so prior to April 15th to receive your refund, no refunds after this date. Event location is The Lodge 3620 FM 1069, Rockport, Texas 78382 and mixer at Poorman's Country Club 1009 Hwy 35 North, Rockport, Texas 78382.

*****First five women registered will have an opportunity, if they wish, to ride in our Game Warden Airboat******

Entry fee includes participation in 4 of the listed events, t-shirt, SEA membership, dinner on Saturday night at the mixer, light breakfast (ex: doughnuts and muffins) and lunch (sandwiches) Saturday and Sunday and non-alcoholic beverages throughout.

This is a day camp situation and lodging is not provided. If you need overnight lodging there are many great hotels and cottages that you may reserve in Rockport.

Saturday 8am event at The Lodge will begin with a meeting, group photo, and delivery of schedules. Please be on time so that you are included in the group photo. Then disperse to scheduled stations with an outdoor lunch break including sandwiches 1pm to 2pm and will end at approximately at 3 pm. There will be a gun dog seminar after lunch.

Sunday 8am will meet at scheduled stations at The Lodge and finish after lunch. If inclement weather then will make Saturday a short day and Sunday the long day.

Equipment – Sensible shoes are a must, this event is on a ranch not on pavement, and walking will be required. Long pants are a good idea to combat mosquitoes. Please bring a lawn chair, jacket, sunglasses, etc.

Weather - Please be sure to dress for the weather especially if participating in the kayaking. The water may still be cool and the weather may be as well. This event will not be canceled unless the weather is severe and we will shift events as needed to accommodate the weather.

Courses Offered:

Basic Shotgun/skeet

Learn about firearm safety, how to work a shotgun, and shoot clay targets. This is a great sport and popular all over the world. You may bring your own shotgun but remember to bring your own ammo. The weapon must be unloaded until told to load at the station.

Intermediate Shotgun

Learn how to shoot multiple clay targets. You may bring your own shotgun but remember to bring your own ammo and the weapon must be unloaded until told to load at the station.

B.B. Guns

Learn the workings of a b.b. gun to get the idea of how to hold and shoot a rifle. Rifles, with and without scopes, will be present to learn how different types work but will not be fired. Firearm safety will again be addressed.

Archery

Learn the basics of this ancient skill whether you would like to one day take a deer or would rather just target practice.

Self Defense

Our local Rockport Police Department will give basic instruction in how to take precautions and protect yourself from intended harm.

Fly Fishing

Seminar held by Chuck Naiser explaining and demonstrating this unique and exciting way to stalk and catch fish. Participants will be able to practice this skill.

Fishing

Here's the bay now what? Seminar will identify ideal conditions and indicators when bay fishing, bait options, tackle options, and participants will practice casting.

Boat Equipment & Operation

This course will be a four hour block of instruction and take up two of your selections. One course will teach how to identify parts on a boat, required safety equipment, and

rules of the road. The second part of the course will give participants a chance to operate the vessel courtesy of Chris's Marine.

Kayaks

Want an inexpensive way to get out in the bay? Try the basic course on safety and operation of kayaks with participants receiving practical hands on experience. Once again the water may be cool and the weather may be as well, so dress appropriately and if you have waders please bring them. Participants will have to walk out in the water so bring a change of footwear.

Outdoor Photography

Renowned wildlife photographer John Martell will instruct the course on photo composition and camera operation. Course will help participants to learn how to set up an outdoor shot so please bring your own camera.

Habitat / Species Identification

Course will talk about coastal habitat and help teach how to identify different species of wildlife and habitat and so forth. Course will also talk about conservation and preservation.

First Aid and Safety

Instructor will teach participants how to take care of minor wounds and injuries that might occur in the outdoors. This is not a certification course only a basic overview.

Dutch Oven Cooking

Participants will learn how to cook something wonderful in the outdoors.

Registration Form- Only return this page

Please list in order of preference from 1, most preferred, to 13, least preferred, and I will try to accommodate as best as possible. This will be a first received registration first choice set up in order to try and be as fair as possible. Please strike through any event in which you absolutely cannot participate. Remember boat operations will count as two classes.
